Mrs. McGuire

Well, I finally made
thanks to you.
You've been a great
teacher & I've learned
a lot in the past couple
years. I hope I become
a journalist just like
you. I will always
remember you. I'll come
and visit, don't worry.
Well, Thanks for
every thing I do mean
it too.

Love
Julie

Younger Years

As we fondly look back to the years passed, we remember the rivalry between Bridgewater and Raynham. We have since overcome these boundaries and united together as one school.

We will remember forever, the days when our best friends and worst enemies changed in a matter of hours, the birthday parties, talent shows, ski clubs, and the infamous field days. In these years, some have grown together, others apart. But no matter what, we've all had some very memorable times together.

Even though we will cherish the memories of high school here at B.R., we will never forget our younger years.

A TOUGH ACT TO FOLLOW

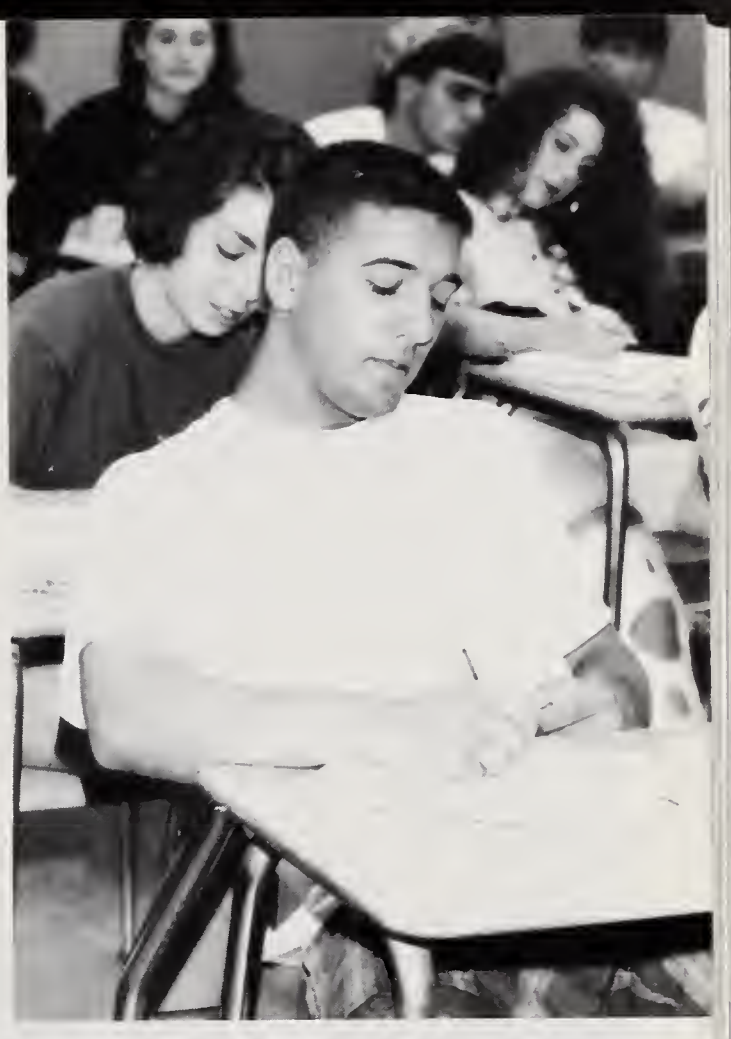
For the past four years, we have been growing and changing. During the struggles of adolescence, we have come to realize and appreciate the value of friendship. The bonds we have formed will be tested as we separate and move on. No matter what happens, these friendships will live on in our hearts and our memories. Now that's a tough act to follow!

. . . In the Classroom

We have learned much during the time spent in the classroom at BR. The teachers taught us academically and socially. What we have learned in the classroom will help us through the rest of our lives.

The friendships that have been made in the classroom are those that will be hard to replace. The people we have spent each day with have become our best friends, teachers and students alike. I hope the class of 1992 will always be remembered as being a hard act to follow.

LORIDA



A Tough Act to Follow

This year, BR hopes to add as many OCL championship titles as we can to our list of past victories. We can only hope to do our best in our pursuit of these accolades. The sole inhibitor to winning the league in each sport is the other team. But with the help of great team leaders, we can overcome these hinderances. This seems quite simple. Doesn't it? Then, why did our past and present teams have difficulty in leading each converence. Now, the only action we, as High School students, can take, will be to hope and merely support our peers.

Throughout these years we have shared many different kinds of moments together. Some have been happy, some sad, and some unexpected. But the times that will stay with us, no matter what direction our lives take, are those very "special moments." That's why we will always be a "TOUGH ACT TO FOLLOW."

SPECIAL MOMENTS

Junior Prom

On Friday, May 17, 1991, we, the class of 1992, had our Junior Prom at Lombardo's in Randolph. We chose "Faithfully" by Journey as our prom song. Kelly LePuc was crowned Prom Queen. Jen Crowley, Sandy Southworth, Toni Bonanno and Cathy Campbell were members of the court.

Our Junior Prom was a very special evening, and we will always have fond memories of this night as one of the many times we proved to be a tough act to follow.

PEP RALLY

Since this year's Thankgiving Day football game would prove crucial to the team's success in winning of the Old Colony League title, the rally had to be better than ever. And that it was.

After heartbreaking losses as the sophomores and the juniors, the seniors were more than ready to win the decoration and spirit contest. Great effort was also shown by the underclassmen.

The cheerleaders put on another great show along with the pom and flag squads. The dedication and the pep talks from students and coaches inspired not only the team but the fans.
And of course the band got everyone in the spirit of things. The rally concluded with the traditional football player and cheerleader dance routine. Coach Almedia's speech proved that B-R was #1, not only in spirit but in ability. B-R's spirit, pride and unity helped them overcome the tough rivalry and come out with a victory — 49-7 win!

The Greater Bridgewater contestants were Astrid Domenico, Kristina Struzik, Amy Cyr, Marianne Toohey, Amy Harman, Cara Colozzi, Jennifer Botelho, Michelle Proulx, Joanna Wasti, Robin Ripley, Julie Chiljean and Jennifer Bessette. Their talents included singing, dancing, acting, gymnastics and a poetry reading.

The winners were 3rd runner-up Astrid Domenico, 2nd runner-up Amy Harman, 1st runner-up Cara Colozzi, and the new 1992 Young Woman of the Year, Miss Amy Cyr. All the girls should be commended and congratulated for their great efforts and performances. Good luck in states Amy!

Miss Regional

This year's Miss Regional Dance crowned its annual Miss and Mr. Regional along with their court. While having one of the largest attendances in B-R history, this fun-filled night provided laughs and excitement for many future memories. Crowned were Miss and Mr. Regional, Astrid Domenico and Lenny Ferrara, first runners-up Keri Laro and Matt Williams, second runners-up Heather Bowdridge and Pat Pauline, third runners-up Stacey Alley and Carl Gardener, and fourth runners-up Kristen Holmes and Justin Moscardelli. We hope to pass down this tradition to next year's Senior Class: Have fun.

CHRISTMAS PARTY

Dedication

The untimely death of Mr. John J. Reilly was a shock to Bridgewater Raynham High School. The loss of this wonderful man, who had made his life revolve around helping others, emotionally crushed his friends and family. Luckily, his memory will be kept alive by the things he bequeathed to his students, co-workers, tennis players, and everyone else he came in contact with. "Riles" wanted to change the world, and he has left us his legacy. The World Affairs Club and course will hardly be recognizable without Mr. Reilly's May movies, projects, speakers, and stories. He was astonished to know how little students knew about what was going on in the world, outside Bridgewater. He opened the door to the real world and said, "Look at this. Look at all the horrible things going on and you're all worried about getting $450 Nike sneakers." Mr. Reilly would have wanted to give the money to Oxfam, but that was Mr. Reilly. He has challenged us to make a difference, one person can, and this is a lesson he taught by example. He gave his heart and soul to his numerous causes, social issues, students, tennis, friends and family. He inspired young children to play tennis, a sport he loved, and vowed to make the tennis program thrive for the school. This year there will be no "Riles" on the tennis court to make sure his team is using the correct serving grips, but as he has given a bit of himself to everyone he has nominated; his presence will still be felt. We will never forget this great man who touched so many lives in his brief stay. His clownish grin forever will be engraved in the hearts of those who loved him.

Mr. John Reilly

Angelo Mattie

The class of 1992 is proud to dedicate the 1992 B-R yearbook) Angelo Mattie who has devoted 15 years of his life to the ıculty, students, and especially the athletes. Angelo, as he is nown by all, is not only a hard worker but a great friend to ıany.

As the groundskeeper of our High School, Angelo has done ı outstanding job of beautifying the school and making various ımes more enjoyable to attend on litter-free fields and neatly immed grass. No, thanks to Angelo, B-R pride can not only : seen on the inside, but the outside as well.

As a friend to many students, Angelo can be seen along side- ıes of football, field hockey, baseball/softball,and soccer games ıeering on the kids — usually with a smile on his face.

Mr. William Williams

Mr. Williams is retiring after twenty-one years of service to the regional. During that time, Mr. Williams taught Social Studies, English, Reading, and Math.

Mr. Williams will be remembered for his wit and patience by many B-R graduates and the staff members. We will all miss him and wish him luck.

Mr. John Morgan

ecause of economics conditions, B-R lost a very talented and icated art teacher. Mr. Morgan taught at B-R for ten years. ing that time he inspired and nurtured many B-R art stu- ts. He will be remembered by students and staff.

Mr. Chester Heckman

This year Bridgewater-Raynham Regional High School was deeply saddened by the loss of Mr. Chester Heckman. Chet was a member of the Special Education Staff and the Learning Disabilities Program for over twenty-five years. Chet was a conscientious, dedicated and gentle person. He had an abiding interest in United States History. Throughout his tenure at B-R, Chet exhibited a keen interest in his students and endeavored to assist them in their educational development. Chet will be fondly remembered by his friends at Bridgewater-Raynham.

SENIORS

CHEERLEADING

This year's cheerleading squad, led by captain Janet Dyer and seniors Michelle Proulx, Keri Laro, P.J. Napolitano, Cherie LaForest and Tina Bonanno, was one of the best ever. Placing fourth out of twelve squads in a state competition, the squad, under the direction of Stephanie Zonfrelli, qualified to compete in Myrtle Beach. Other members of the team were; Kristen Lane, Beth Ferrari, Kim Nelson, Jessica Maree, Katie McMullen, Vickie Hastings, Kerry O'Day, Janell Holmes and Dawna Napolitano. In years to come there will always be new cheerleading squads, but this squad will definitely be a tough act to follow.

1991's cheerleading squad

Football

The 1991 Trojan football team was one of the best in recent years. Many people doubted how good the team would be, but a fine coaching job by Head coach Frank Almeida and assistant coaches Miller, Peabody and Goslin captured an OCL crown.

Led by Senior co-captains Tim Nixon and Pat Pauline, and senior members Todd Feeney, John Morrisey, Mark Rowayne, Paul Baldi, Matt Williams, Chris Paolini, Jason Mitschelle, Dan Cox, Justin Moscardelli and Mike Donovan, the Trojans marched to a 9-0-2 regular season record. Opponents found it hard to score on BR's tough defense, enigneered by Coach Miller. The team's stingy defense let the Wishbone Offense do its job, running over opponents with an awesome ground attack.

By winning the OCL, the Trojans earned a division 1-B playoff berth. On a cold December morning, B-R faced #2 ranked Waltham. A few first quarter miscues put the Trojans in a hole, but the Trojans came back in the second half to send the game into overtime. The Tr

Boys' Soccer

This year, the Boys' Soccer team had an excellent season. Even though they had a rough start, they entered a fourteen-game winning streak only to be stopped in state tournament quarterfinals to rival Weymouth, the tournament winner.

With the aid of Matty Hammond (17 goals, 20 assists), Geof Dolan (19 goals, 8 assists), Michael Ford (12 goals, 7 assists), Goalie Mark Fisher, Michael Cruza, and captains Garret Lappin, Chris Jensen, and Brian Joyce, the soccer team ended with a final record of (18, 4).

Coach George Pacheco expected a great season and although they placed third in Old Colony, they ranked tenth in the state at the end of the season.

Boys' Varsity Team

Girls' Soccer

The girls varsity soccer team ended this season with a bitter taste in their mouths after losing to nemesis Silver Lake in the preliminary round of the State Tournament.

Their season record compiled to 10-5-3 overall after a slow start. Starting Seniors were Jennifer Bessette, Micah Edelstein, Amy Griffen, Katie Harty, and Alicia Tilley, all veterans to the sport. Also turning in their last season for the team were Brenda Hartley and Marianne Toohey. Strong defensive play was turned in by Juniors Amy Clarke, Michelle Courcy, and newcomer Katie Burke. Juniors Tracey Ryan, Mary Maloney and underclassmen Kerry Hutchinson and Kristi Silvera provided needed offensive play. As always, Coach Heslin returned for another season.

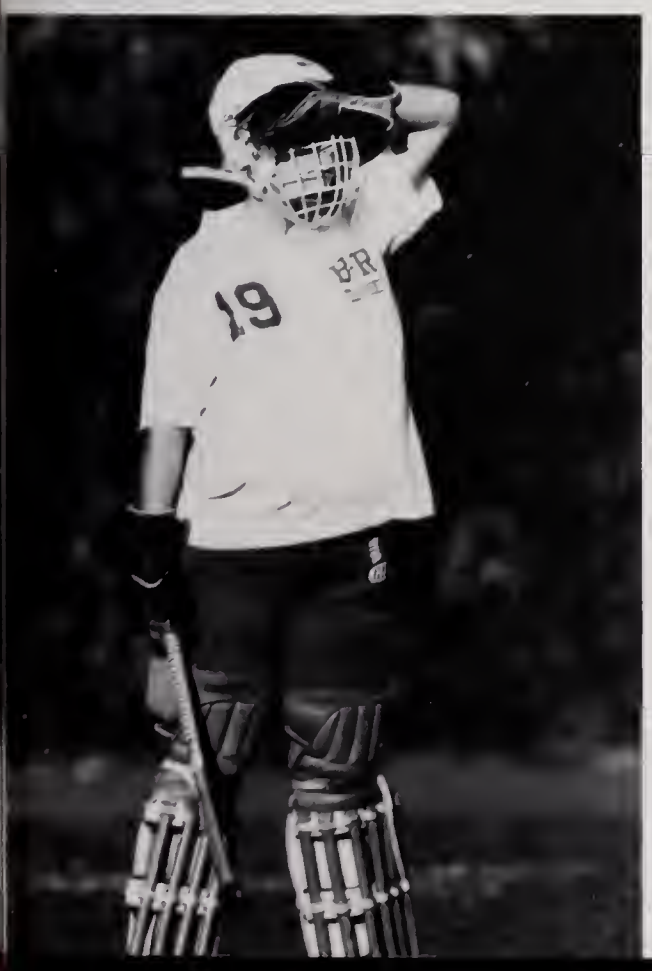
FIELD HOCKEY

This year's field hockey team had its most successful season in school history. By hard work and dedication, the team finished the Old Colony League in first place, never encountering a loss. The field hockey team also advanced to the South Sectional MIAA tournament semifinals, just one of the new records set by this year's girls.

Since the start of this field hockey program, no other team has had more wins or more goals scored in one season. Kristen Holmes also set a new school record for scoring the most goals in two years (37).

Not only did Kristen lead the team on the field but off the field, she, Michele Pacheco, and Leslie Cucinatto collaborated to direct the team as their captains. Also showing strong signs of leadership were this year's seniors; Shanna Buckley, Jennifer Crowley, Beth Doherty, Sarah Furtado, Darcy Jones, Katie O'Day, Aimee Perron, and Sandy Southworth.

Also supplying many goals and strong defense were next year's captains: Mary Casabian, Linda Halgunseth, and Jen Kelley. Both the seniors and the underclassmen contributed their talents to the final record of 18-2-1. Everyone played their best and three members were recognized for their individual efforts. Receiving OCL All-Star awards were: Kristen Holmes, Michele Pacheco, and Mary Casabian. All in all, B-R's field hockey team has a lot to be proud of and will remember this season with fond memories forever.



Cross Country

The boys and girls cross country teams, under the coaching of Mr. Jennings, had another successful fall. Although the girls team had many injured runners, including captains Beth Phanuef and Christine Gettman, Senior Captain Amy Harman and sophomore Michelle Macolini brought the team many points. Both Amy and Michelle went on to run at the state meet. Kerin Mayher, Cheryl Carrol, Kaitlyn Kerrigan, Ann Cabaneros, and Cheri McGowen also contributed to the team.

The boys team was lead by Senior Captains Paul Rondelli and Ralph Eddy. Paul and junior Steve Hughes, as well as Bret Roy, Mike Murphy, Chris Ruhwein, Sean Jennings, Senior John O'Connell and many freshman helped make the boys season their most successful ever.

Boys' Team

Girls' Team

Golf Team

This year the golf team had a good season. The team managed to compile five wins, while suffering only three defeats.

This year's team was lead by OCL All-Star and team captain Warren Kelson. Warren was also recommended for The Hall of Fame.

The team is still very young, with eleven returning starters. The returning starters are: Jeff Palopoli, BJ Tveszkiewicz, Mark Ferris, Peter Duffy, Jim Giovanoni, Scott McDonald, Chris O'Brien, Peter Darns, Mark Haskell, Ryan Cobb, and Darin Souza.

This year's team qualified for the state tournament, missed going to the finals in the Spring by only one stroke.

With a lot of young talent, the team hopes to have another successful season next year.

Gymnastics

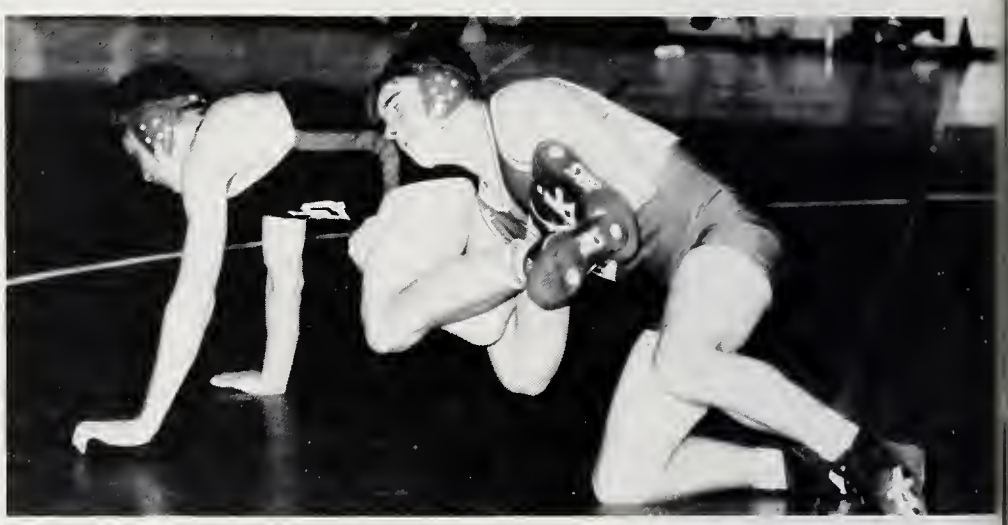
The Gymnastics Team, led by captains Amy Reardon, Jessica Ciprianni, Jen Kelly, and Beth Litson, had a good year.

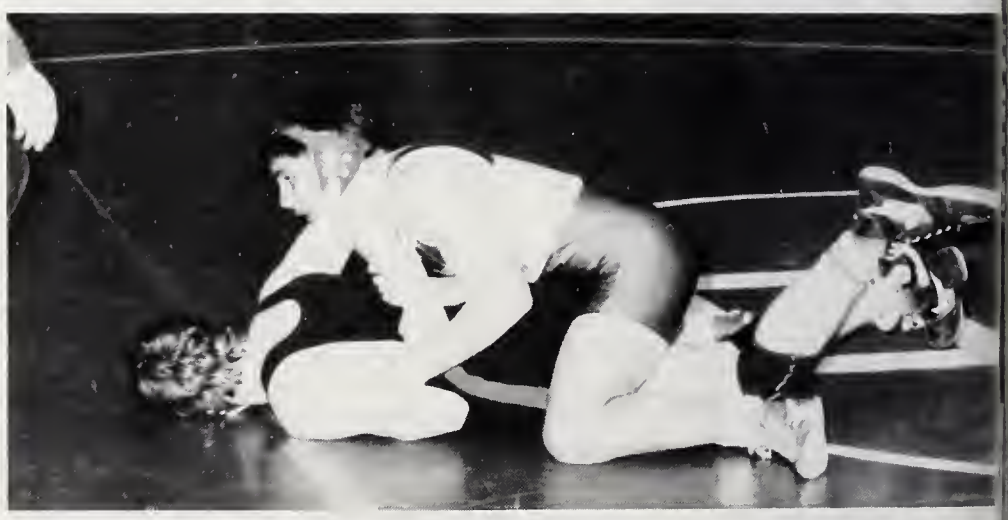
Jen Kelly had a great year and was well appreciated for her effort. Jessica Ciprianni was off to a good start until side-lined by an injury. Beth Litson showed a unique style on floor exercise and great skill on beam. Amy Reardon also had a great year and should have another fine year next year. With several talented freshmen, including Joe Putignano, Kelly Angela, and Nicole Rabashaw, the team should have another good year.

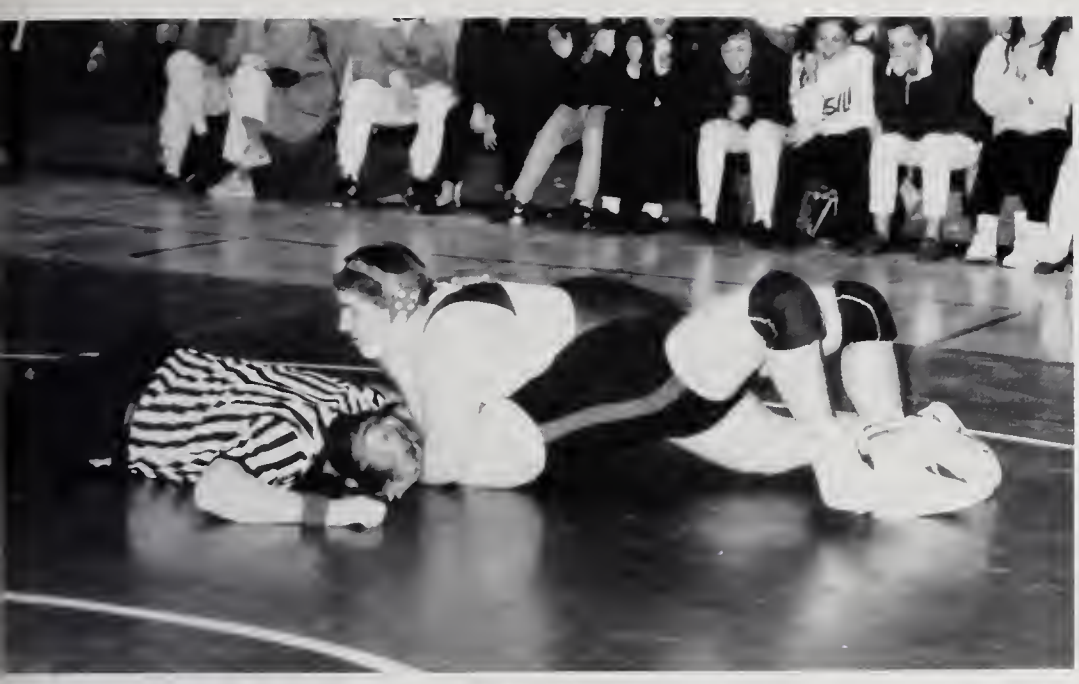
Wrestling

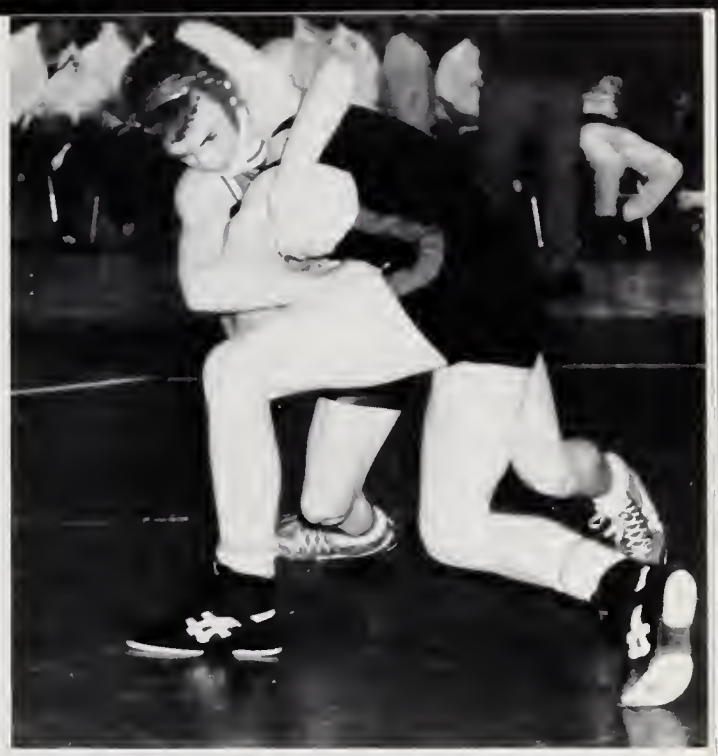
The Wrestling Team this year fought off adversity and the fact that they had a very inexperienced team. After coming off a 0-5 start, the grapplers managed to finish just under .500 and third in the always tough O.C.L.

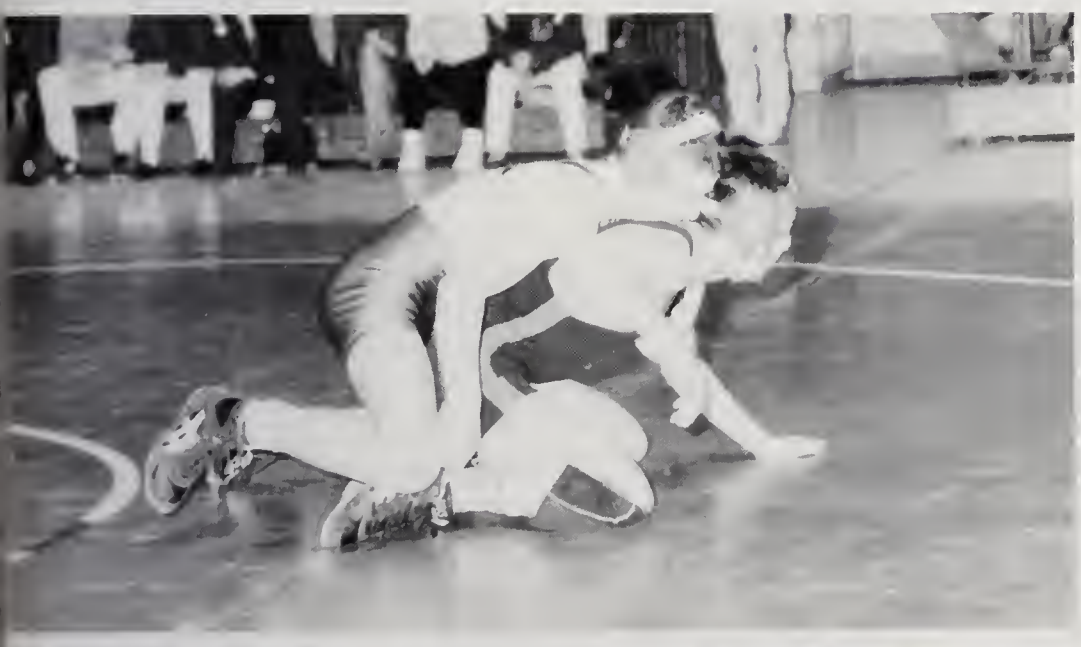
Many times the Trojans looked to their senior captains, Carl Gardner and Tim Nixon, for experience in the line-up. The team got much needed help from senior Matt Brennan, juniors Ian McKinnon, Dave Coles, Shawn Dyer, and David Maw. The most positive thing that occurred this season was the experience the younger wrestlers received which will help them in years to come.











Boys' Basketball

The 1992 B-R Trojans Boys' Varsity Basketball Team finished in a tie for the Old Colony League Championship with Silver Lake. Head Coach Larry Fisher led the boys to a 16-4 record. Team captains Rich Rumrill, Justin Moscardelli, and John O'Connell enjoyed great senior seasons. Other key contributors were Matt Hammond, Tim Bollin, Warren Kelson, Matt Benegni, Paul Rondelli, and Mitch Zides. Named to the O.C.L. All-Star team were Rich Rumrill, Justin Moscardelli, and Tim Bollin.

Besides Jessie and Kristen, the other seniors were Jen Botelho and Kelly Stanton who was out due to sickness. Other contributors to the girls' varsity were Kerri Lynch, Amy Clark, Mary Casabian, Tracey Ryan, Jamie Reardon, Danielle Sheviliar, and freshman Liz Martin. The coaching was done by Gerry Cuniff, and George Pimental assisted.

Hockey

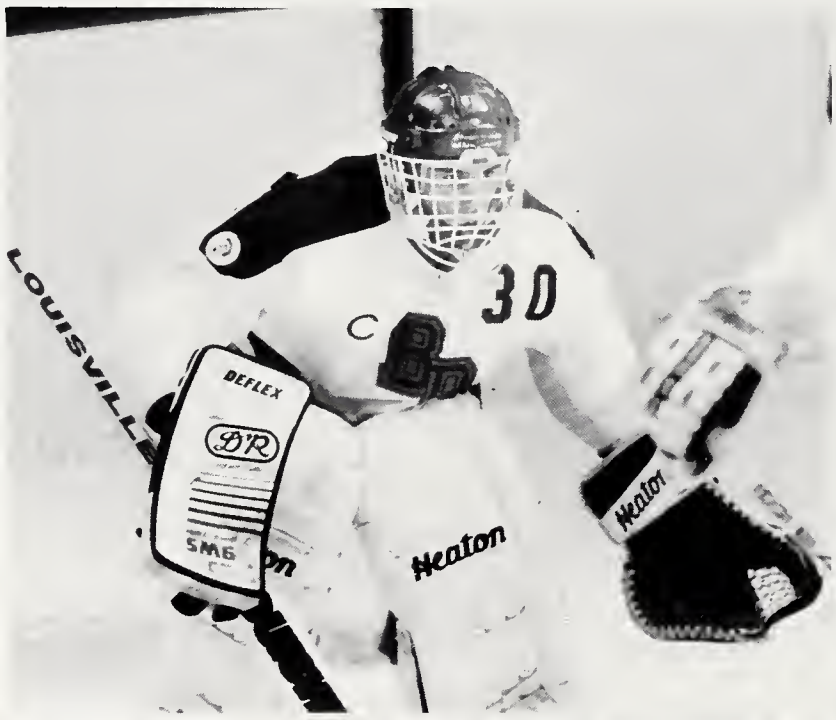
The 1991-1992 B-R Trojans Hockey Team had a disappointing year.

The Trojans chartered a powerful offense with seniors Brian Rousseau, Everett Gouveia, and Jim Gleason. Junior Joe Garafolo had a good year as well as Tom Halpin.

The defense was young and inexperienced but played to O.C.L. level hockey.

The captains were Brian Rousseau, Jim Gleason, Everett Gouveia, and goaltender Gerard Meyers.

The Trojans skated to a 8-9-2 record and finished fourth in the league. Good luck next year!



Boys' Track

Although the Boy's Track Team had a difficult season in a tough league, there were many good individual performances. Both Senior Captain John Susi and Junior Brian Hermes placed in every race they ran. Junior Captains Mike Murphy and Brian Davey also scored consistently for the Trojans. Joshua Freeman, Aaron Pereigis, Chris Leahy, and other strong talent will be back next year. According to Coach Manning, these veterans, together with promising freshman such as Scott Jakubec and Kevin Bowdridge, will create a strong Trojan team.

GIRLS' TRACK

The Girl's Track Team, coached by Wendy Wheaton, celebrated another exciting season this year. Senior Co-Captain Amy Harman; Sophomores Erin Powers, Shannon Young, Wendy Estes, and Susan Kimball; and Freshman Sarah Gillis and Kara Krikorian, as well as the Mile Relay team (run by Gillis, Beth Phanuef, Senior Beth Doherety, and Senior Co-Captain Jonna Tufts) qualified for the Class A State Meet. From there, Amy Harman and Erin Powers went on to the All State Meet. The Girl's also had two teams which placed in the Class A State Relays.

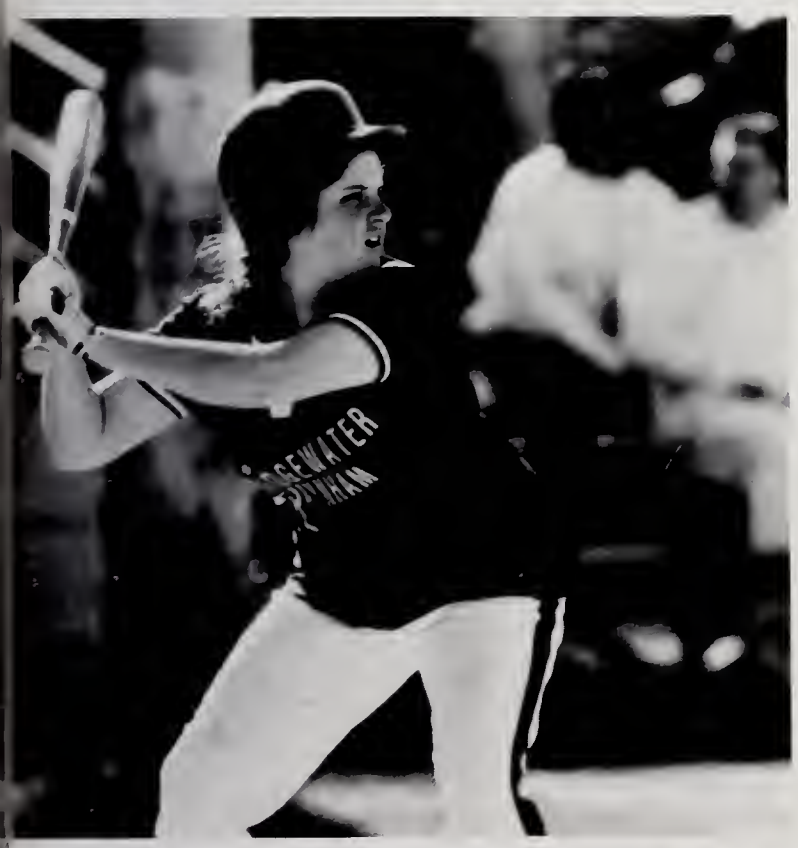
In Addition to their state meet success, the girls rewrote the record book. Amy Harman broke the 1,000 yd. record, Kristen Barry tied the hurdle record, and the Sprint Relay team broke their own record several times. Both the Mile Relay team and Erin Powers (600 yd.) missed records by a tenth of a second. The Girls were commended by all for their sportsmanship and camaraderie. Congratulations to all for another successful season!

SOFTBALL

After finishing the 1991 season 12-8, Mr. Dillon's girls' softball team had one of their most successful seasons in the past five years. The girls qualified for the MIAA Massachusetts State Tournament, losing a 4-3 heart-breaker to Stoughton. Contributions by returning seniors and tricaptains, Jen Botelho, Kelly Stanton, and Jeni Dwyer, along with seniors Danielle Lind and Marianne Toohey helped the team go far last year. The girls hope to better their record this year by fielding their returning veteran seniors along with the returning juniors Mary Casabian, Mary Maloney, and Amy Nickerson, and sophomore Paula Lennon.

VARSITY TEAM

J.V. VARSITY TEAM



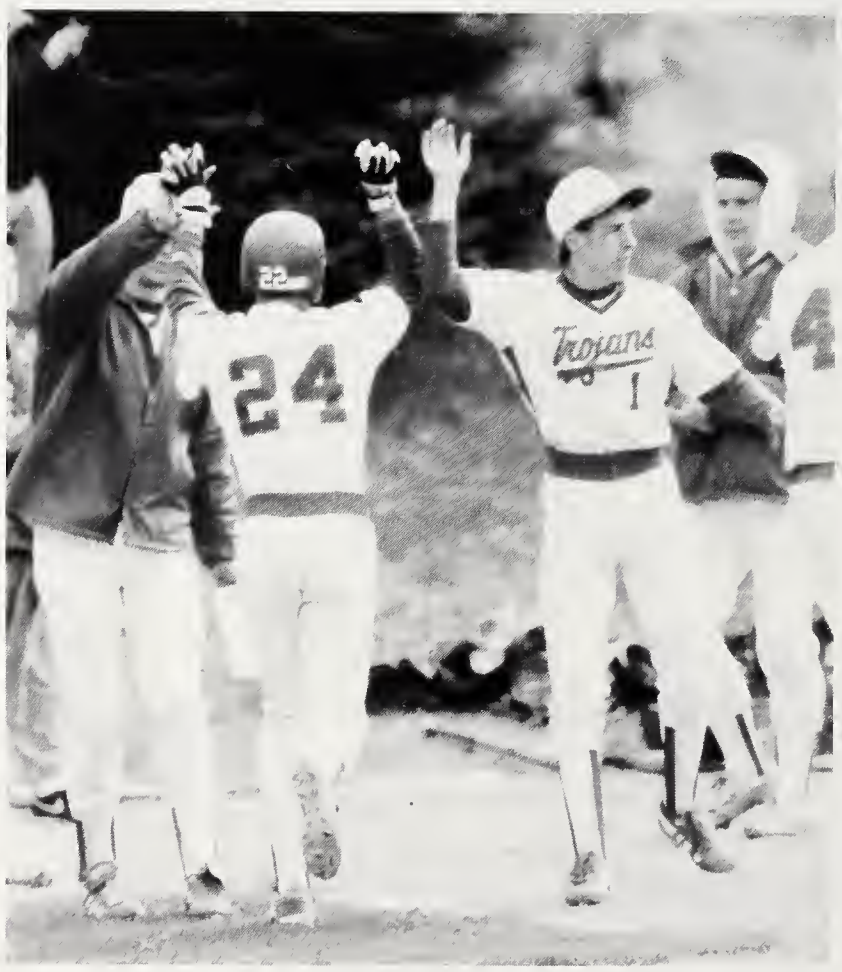
BASEBALL

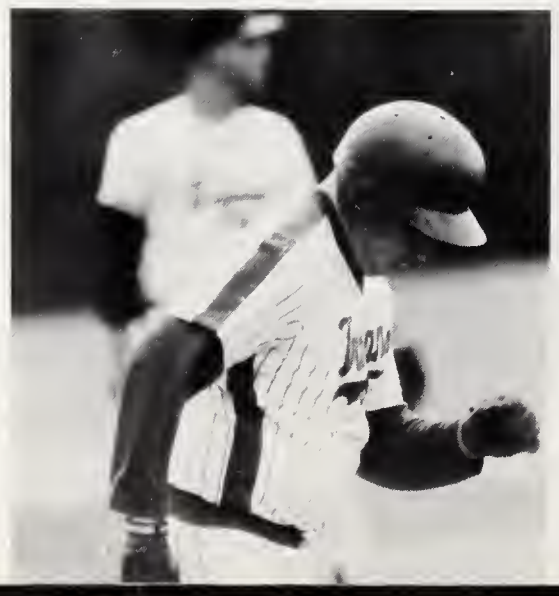
The 1991 Trojan baseball team finished their campaign with a 15-5 record. The team was gifted with talented Seniors with S. McGuire, M. Riley, M. Hilchey, E. Anderson, P. McLaughlin, and J. Nevens. The team also fielded Juniors T. Feeney, M. Donovan, J. O'Connell, K. Morrison, J. MacEachern, M. Rivers, S. Brown, and Brian Johnson. Soph. M. Enos and Frosh B. Rivers also contributed to the team.

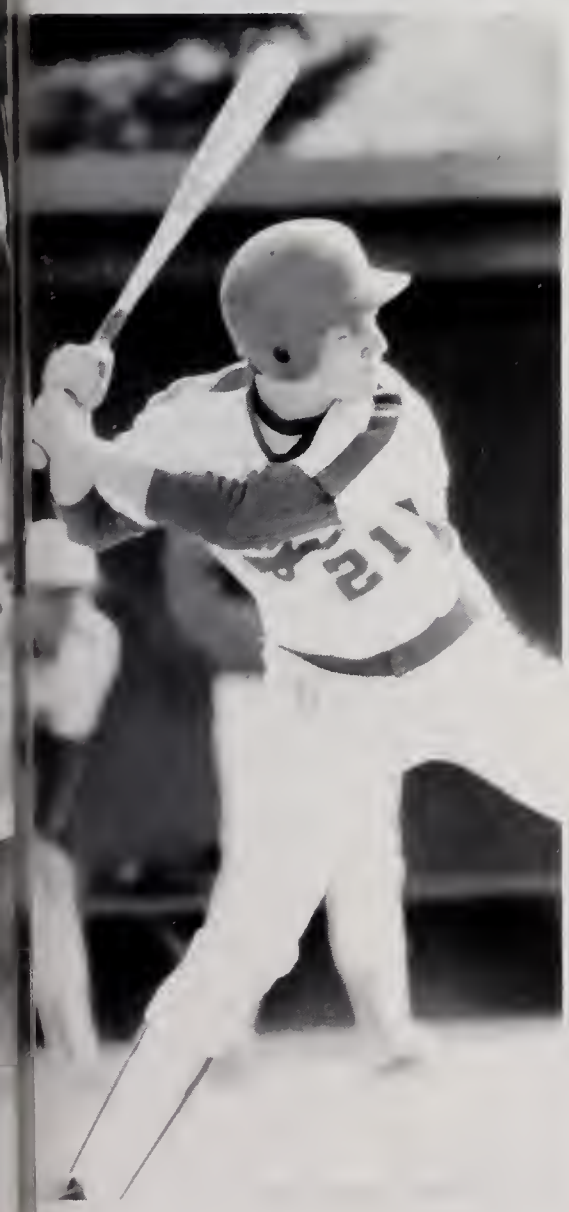
The Trojans once again qualified for the state tournament. The team was eliminated in the first round by Needham, 5-4.

The '92 team has to fill some big holes with graduation of McGuire, Riley, McLaughlin, and Hilchey; but the '92 team has some great expectations with the addition of P. Pauline, M. Ronayne, M. Williams, C. Leahy, and D. Zukoski.

M. Harris, M. Riley, E. Anderson, M. Hilchey, S. MaGuire, J. Nevens, Coach Holmes, P. McLaughlin







Boys' Spring Track

The 1991 Spring Track was captained by Mike Donovan. The team was coached by Mr. Kearney and Mr. Pacheco.

The '92 team is looking to continue their success in the tough OCL. Some of the keys to the success of the team should be T. Nixon, J. Moscardelli, and M. Benigne. The underclassmen should also contribute to the '92 team.

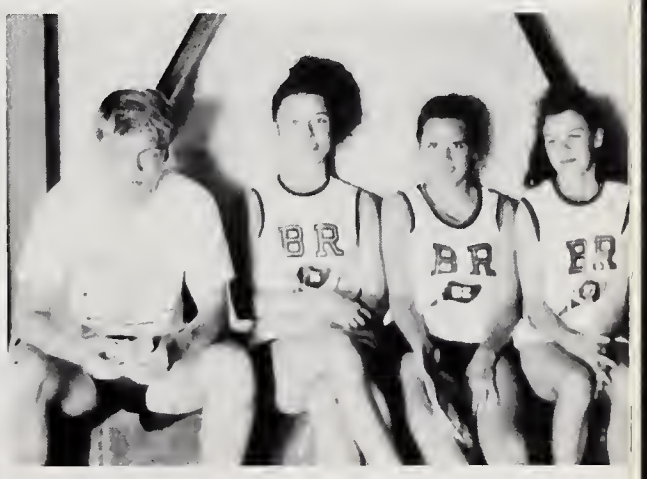
Girls' Spring Track Team

Girls' Spring Track

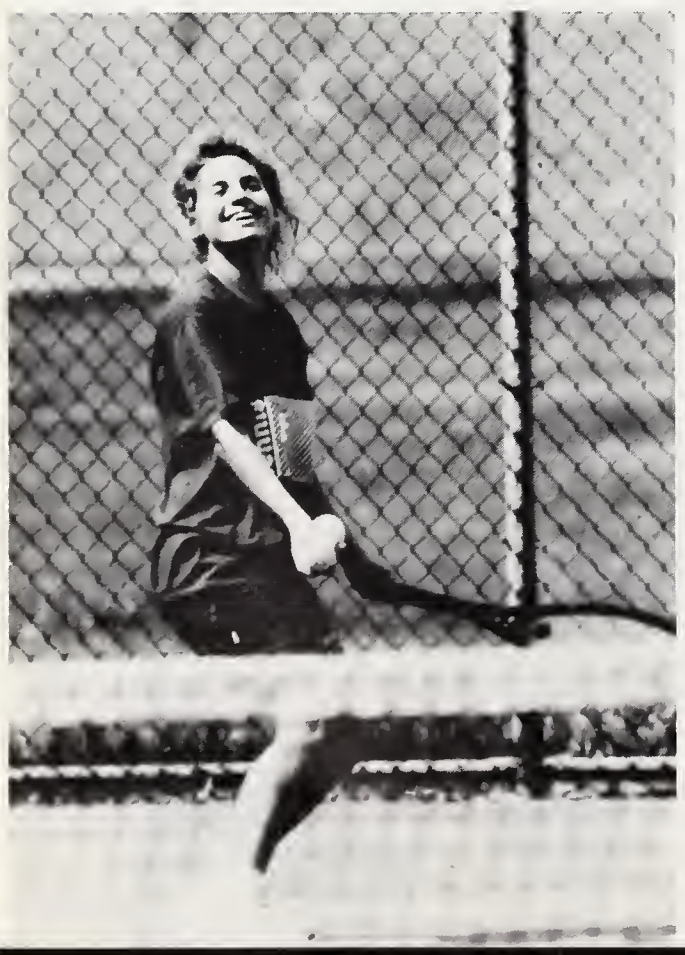
If last year's team is any indication, the 1992 Spring Track team will be the best ever. A record breaking 80 girls joined last year's team. Coach Wendy Wheaton as well as senior tri-captains Jonna Tufts, Amy Harman, and Jessie Stewart will be back to lead the team. Amy Harman, Katie O'Day, Jen Rich, and Christie Silvera will bring the team success in the long distances while Beth Doherty, Jonna Tufts, Erin Powers and Jen Kelley gained points in the middle distances. Michelle Courcy and Aimee Perron are expected to lead the sprinters. The team will gain points in the field events with the help of seniors Jessie Stewart, Michelle Pacheco, Aimee Oray and Suzanne Persson. With these talented athletes on our side, Bridgewater — Raynham is sure to have a winning season.



Girls' Tennis

Backed by a surprisingly young team and a new coach, John J. Reilly (Riles), the girls' tennis team put in a strong effort this season. The four starting upperclassmen were Micah Edelstein, Kristen Holmes, Alicia Tilley, and Melissa Nawrocki. They were joined by Elise Andriuchi, Kerry Hutchinson, and Danielle Shevalier. This team had a broad base of young talent to call on to fill in the holes. They finished the season of 1991 with an overall record of 10 wins and 9 losses.

Girls' Tennis Team



Boys' Tennis

The Boys' Tennis team of 1991 finished the season 12-4 with Silver Lake in first and Falmouth in second place. The first singles player through the third featured Joshua Freeman and co-captains Brian Hylander and Bob Gray. Justin Gray and Chris Potter took the first doubles spot. Brian Joyce and Ted Hauhee occupied the second doubles team. The tennis squad ended the season with a close loss to Hingham, an arch rival, 3-2.

This year, after graduating three seniors, they hope to have a strong team in the OCL with the aid of Captain Joshua Freeman, their upcoming players, and especially with the help of Coach George Pimental. A few slots are up for grabs with many contenders faced with a large upcoming tennis battle to determine the remaining slots.

The Drama Club Dances Their Way to The Snow Ball

The BR Drama class had the pleasure of seeing "The Snow Ball", a new play by A R Guiney, at the Huntington Theater in Boston.

This play, centered on the WASP culture in modern American Society, ridiculed the regimental class structure of dancing schools and high society balls.

The play consists of many flash backs to when the main character, Cooper Jones, was in dancing school. Two of the children, Jack and Ritty, were the best of the dancers in Cooper's class. Now in the 90's, Cooper is trying to recreate the legendary "Snow Ball" and reunite Jack and Ritty to dance with each other one final time.

The characters played themsleves young and old. The only exceptions were Jack and Kitty, who had two sets of actors for the young and the old parts.

The play on the whole was very good. The actors were wonderful and the sets were very elaborate. After the production, the actors came out and the class asked them questions and had a discussion with them.

During the fall the Marching Band was led by Drum Majors Jonna Tufts and Brad Rees, who showed exceptional leadership qualities along with other seniors Mike Chavez, Tracie Gleason, Carrie Bolotin, Brian Pickett, and Andrea DaSilva.

Among this years activities the band performed in halftime shows at all home football games, and participated in the Tri-Town and Veterans' Day Parades, the B.S.C.
